Activity

Create Your Action Plan

Identify strategies you will use to meet your short-term, mid-term, and long-term goals. Be specific and be realistic. Identify who can help you work on those strategies, and check in with them often.

Goal #1: Short-term: Become college-ready. Example strategies: register for a dual enrollment course; take AP Biology	Goal #2: Mid-term: Get into college. Example strategies: get help writing my application essays; apply for scholarships
Goal #3: Long-term: Obtain a degree that prepares me for a career. Example strategies: intern at the college natural history museum; get a Biology degree	My Support System People who can help me work on these strategies, and how they will support me. Examples: my aunt can edit my essays; my Biology teacher can write a letter of recommendation; my counselor can help me track deadlines
