

Activity Create Your Action Plan

Identify strategies you will use to meet your short-term, mid-term, and long-term goals. Be specific and be realistic. Identify who can help you work on those strategies, and check in with them often.

Goal #1 Short-term: Become college-ready.

Example strategies: register for a dual enrollment course; take AP Biology

Goal #2 Mid-term: Get into college.

Example strategies: get help writing my application essays; apply for scholarships

Goal #3 Long-term: Obtain a degree that prepares me for a career.

Example strategies: intern at the college natural history museum; enroll in classes required for a biology degree

My Support System

People who can help me work on these strategies, and how they will support me.

Examples: my aunt can edit my essays; my biology teacher can write a letter of recommendation; my counselor can help me track deadlines
